Progistix Negotiations – Bargaining Bulletin # 4

The Union and the Company met together for extremely long hours of negotiations on Tuesday Nov 24th and on Friday Nov. 27th.

These meetings focused on monetary issues.

Some progress was made but the Union is still facing serious challenges at this bargaining table.

We will be returning to the bargaining table in the week of December 7th (specific date to be confirmed).

At this time it is important that all members support the Union and be patient as your Bargaining Committee works hard to represent the members and resolve the outstanding issues.

Your Bargaining Committee,

Al Borden
Denise Hazel
Al Uprichard
Ray Mortimer, Local 26 President
Janice McClelland, National Representative
