BELL BARGAINING REPORT #24

Wednesday, April 23, 2008

To all Bell Locals

Sisters and Brothers,

Following the rejection of Bell's second offer, we remind members that it is very important to continue to work in the same professional manner as usual, and to follow the Collective Agreement.

The Union is carefully analyzing the different options that we have in front of us.

We will keep you informed of all new developments without delay.

It is important that members wait for direction from the Bargaining Committee.

We appreciate your support.

In solidarity,

Richard Chaumont, National Representative
Sean Howes, National Representative
