Negotiations – TRANSERVICE
Bulletin #2

To: **Ontario Local Presidents with Transervice Units**
Ontario Transervice Caucus Delegates
Ontario Transervice members

Greetings Brothers and Sisters,

First, we would like to apologize for the delay in getting this bulletin out to the membership. We appreciate your patience and want to ensure you are kept informed of the progress being made at the bargaining table.

Your Ontario Unifor Bargaining Committee completed its first week of bargaining with Transervice in Toronto from October 19 - 23.

The parties met in person and exchanged non-monetary proposals. We are pleased to report that discussions surrounding the issues raised by both parties were constructive, with positive results and good dialogue throughout the week.

We have also presented the monetary proposals submitted by the membership and have begun discussions on the various issues and priorities brought forward.

Overall, it was a productive first week of bargaining, and we are encouraged by the progress made so far.

Your bargaining committee is scheduled to return to the table in November, where we will continue working toward an agreement that reflects the priorities and interests of our membership.

We will continue to keep you informed as bargaining progresses.

In Solidarity,
Unifor Bargaining Committee
