

BARGAINING BULLETIN # 2

TO: ALL LOCALS WITH BELL ALIANT CRAFT MEMBERS

Brothers and Sisters

As indicated in Bargaining Bulletin #1, your bargaining committee had asked Bell Canada to add the week of February 16th to the negotiation schedule to compensate for the cancellation of the last week of January. Bell Canada, who is now negotiating for all the bargaining units, will not be able to accommodate that request as they are already set to meet that week with the Telebec Clerical and Associated employees.

Negotiations will begin on February 9th for the entire week.

Any updates will be communicated to the membership through future bargaining bulletins.

In Solidarity there is Strength!
