**To: All CEP Transervice Locals in Ontario
National Representatives Servicing Transervice Locals**

From: Kim L. Beemer, CEP National Representative

This Memo is a follow-up to the May 9th, 2008 email re Transervice seeking a 24% benefit expense that had been submitted on a recent OXP bill.

Please be advised that I had a discussion with Pierre Bujold, V/P Transervice last evening, and have confirmed via email that the Company has rescinded its position to seek this payment.

The National Union grievance will be closed out and members are advised to do the same with their individual grievances.

In Solidarity,

Kim Beemer,
National Representative.
