**RE: Former Nortel employees, current Expertech members with Nortel
Pension, Telemar members and retirees, Retirees from Nortel**

Dear Sisters and Brothers;

As you are aware, Nortel has filed for CCAA protection. We have retained CaleyWray to represent CEP in these proceedings. We are representing our current members who have a Nortel pension as well as retirees.

Working with Gail Misra from CaleyWray, we are attempting to compose a list of these members and retirees. I would ask that you provide us with the following information if you have it, and ask members or retirees to do the same.

Information that would assist us in representing these members;

- Name
- Address and contact information (phone number, personal email address)
- Employee number
- Who the employer is or was
- Retirement date
- Entitlement to RAP

This information may be forwarded to my assistant Linda McCrorie at 905.678.0800 ext. 234, lmccrorie@cep.ca, or by fax 905.678.7868.

Should you have any questions regarding this feel free to contact me at 905.678.0800, ext. 240.

In solidarity,

Barb Dolan,
Administrative Vice President,
CEP Ontario Region.
