BARGAINING BULLETIN # 7

December 9th, 2010.

The Union and the Company met together on December 6th and 7th.

The parties continued negotiations on several issues that are important to our members, including the probationary period, what happens to Temporary employees when there is a lack of work, temporary upgrades, the job posting procedure, seasonal leave with income averaging, pension and RAP protection for former Nortel employees, job postings and reclassifications, union representation, pay in lieu of vacation, wage treatment upon promotion, travel time, mileage and reassignments.

Discussions will resume on these topics and others when the parties meet together again on December 15th, 16th and 17th, 2010.

The Union is making its best efforts to resolve as many non-monetary issues as possible before we enter into negotiations on the focused monetary package.
