

BARGAINING REPORT #1

2011 NEGOTIATIONS WITH EXPERTECH FOR CEP CRAFT & SERVICES MEMBERS

September 19, 2011

Bargaining Caucus has been completed

Brothers and Sisters,

The delegates who attended the Bargaining Caucus met from September 13th to the 16th to adopt the list of demands to be given to the employer. They reviewed and discussed each proposal submitted by the locals to determine which should be included in the final proposal document presented to the Employer. They also adopted the negotiating agenda that will guide the Bargaining Committee at the bargaining table.

Negotiations will start on September 27th in Ottawa. The Committee will meet with the employer to exchange proposal documents. These documents and subsequent weekly update bulletins will be available on the CEP/SCEP National website. The update bulletins will also be sent to the locals.

During this period, as in the past, rumours and threats in various forms will be circulating in the workplace. Please do not propagate these rumours as they are intended to influence you in your understanding of the negotiations taking place.
