

TRANSERVICE BARGAINING BULLETIN No. 2

September 13th, 2012

Brothers and Sisters,

The Joint Bargaining Committee from Ontario and Quebec for Transervice met this week with the Employer.

Discussion on non-monetary items was very productive, and the Committee was encouraged with the progress. Unfortunately, the discussion on the first day of monetary was not, and the Committee has notified the company that given the extreme concessionary demands from the Company, that it is impossible for the Committee to proceed.

The Committee felt they had no mandate to enter into such concessionary discussion and therefore will be conducting a conference call in each province with all Transervice locals for direction.

For the conference call, there will be a requirement that at least one Transervice member from each local participate in the call.

Details of the conference call with date and time will follow in due course.

In solidarity,

The Joint Bargaining Committee

Alain Barbeau, Jean-Marc Vanier, Gerard Blanchard,
