Greetings Brothers and Sisters,

Local Union delegates and local representatives met in Barrie on September 22 and 23 to discuss, debate and formulize our bargaining proposals for the upcoming negotiations with Transservice.

We also ran elections for your bargaining committee representatives and alternates.

Congratulations to:

We want to thank the membership for completing the surveys. We received an overwhelming number of them province wide.

We are scheduled to bargain in Toronto the following weeks: Oct 19-23, Nov. 16-20.

If you have any other questions or points to raise please contact your member of the Bargaining Committee.
